

Quality weaners hit 450c/kg and heavy steers and heifers make over \$2000.

Numbers more than doubled this week with a corresponding improvement in quality and more heavy cattle on offer. Young cattle hit a new high of 450c/kg for Angus steer weaners (pictured below) sold by NLP on account Roger and Geraldine Bomford, "Cotswold" Barraba. Selling agent, Angus Newcombe described them as 7-9 months of age, yard weaned, well handled, by Clunie Range and Bowen stud Angus bulls. The lighter heifers sold to 411c/kg.
