

**TOP STEERS MAKE OVER \$2100 AND COWS UP TO 25c/KG DEARER AS RAINFALL CONTINUES IN TAMWORTH**

Today's Tamworth market reflected the current record prices for the Eastern Young Cattle Indicator with steers, heifers and cows all making excellent money after good weekend rain that continued to fall throughout the sale. The highlight of the sale was an excellent run of Angus feeder steers sold by CP which saw the first lane average 370c/kg. The MLA also reported a stronger cow market with the "best of the heavyweights improving by as much as 25c/kg" and the best heavy steers making over \$2100.
