

## Outstanding PTIC cows sell to \$2250

Outstanding quality Angus cows sold to \$2250 in Tamworth today for Angus cows out of Oberon, off local agistment, sold by PPA on account Stirling Pastoral Co. The 5-6-year-old cows were PTIC to Millah Murrah and Rennylea bulls to commence calving Aug/Sept. They were purchased by Simon Burke, DC on behalf of Kingston clients. While the market looked cheaper on paper compared to two weeks ago, agent, Phillip Hetherington said it was a very strong sale, particularly for the heifers, with strong competition from the plains through to the Tablelands and the Hunter Valley on a yarding of mainly lighter cattle.
