

**Cows hit 327c/kg**

An overall supply shortage drove Tamworth cow prices up again this week with an outstanding first pen of Angus cows off Manilla setting the bar high at 318c/kg for 700+kg cows that came back over \$2000. Plenty of cows made around 320c/kg, including the bulk of the cows offered by Nutrien Livestock on account several tablelands clients, including a draft of 120 cows sold on account TA Field, Congi and another 60 sold on account J Lockyer . The MLA also quoted yearling steers and heifers as dearer. Store sale this Friday 29<sup>th</sup> May. COVID 19 restrictions still apply but you can still buy/bid, sell and watch the sale online.
