

Market very strong after weekend shower

A very strong sale today after a two week break and a nice shower of rain yesterday. The MLA quoted market trends as “generally dearer” with the best pens consistently making over 400c/kg. The heifers were very strong, continuing the trend from last Friday’s store sale, with restocker heifers quoted up to 10c/kg dearer. A pen of outstanding quality Charolais x vealer steers came back at \$1600 and the heifers made \$1519.
