

**Cow market off the boil but several categories dearer**

The cow market was significantly cheaper today after last week's massive jump but still strong with plenty of good quality cows off the tablelands and plains. The MLA quoted several categories as dearer including light to medium vealer heifers and steers to restockers, yearling heifers to feed and finished heifers. Heavy grown steers were also dearer with a massive pen of 925kg bullocks attracting plenty of interest, coming back at just under \$2700/head. No sale next Monday 8<sup>th</sup> June due to the Queen's Birthday holiday.
