

**Numbers down, quality good and market strong**

Numbers remained just under 1000 today with a good offering of cows and some excellent quality steers. Scott Simshauser says that the market was generally dearer with 400 kg steers making 400c/kg and up and the best of the lighter black steers making up to 546c/kg. Weaner heifers made around 400c/kg and the best cows made just over 270c/kg with most making 250 – 260c/kg and up 7-10 c/kg on last week. Big numbers are also coming in for our next store sale this Friday with 2000 – 2500 cattle expected including some good feature lines.

**STEERS**

Vealer steers sold to 546c/kg (578c/kg), yearlings to 416c/kg (456c/kg) and grown steers to 346c/kg (411c/kg).
