

Vealer steers top at 510c/kg in smaller offering

Numbers were drastically reduced from last week with the MLA reporting high re-stocker demand and reduced feedlotter presence. The best vealer steers continued to make over 500c/kg with strong demand for vealer heifers contributing to a dearer market. The cheaper cow market reflected the quality of the offering with bigger numbers of plainer cows heading back to the paddock.

STEERS

Vealer steers sold to 510c/kg (512), yearlings to 448c/kg (466) and grown steers to (386c). Highlights included:
