

From the Sheep Yards

Better results all round.

A good sale today with bigger numbers, better lambs and prices up above \$200 for the first time in weeks.

Congratulations to our newest inductee into the 200 CLUB, Robert Carey for his lambs that made \$209 through B&S. Robert says they were Aug 2016 drop, January shorn, by Abelen Park Poll Dorset rams, off the crop and grain self-feeders and averaged 70-79kg. A great result for one of our great supporters. Robert is pictured with his agent, Simon Burke and Woolly Craig from B&S.
