

Restockers keen on lightweight vealers and store cows

Re-stocker activity contributed to dearer prices for the lightweight vealers and store cows with the MLA quoting the lightest cows as much as 16c/kg dearer than 2 weeks ago. But the pick of the pens today was an outstanding run of 12-month-old Charolais x heifers sold by IML on account Bill, Sue and Cameron Wilson, Retaru. They attracted plenty of interest before being knocked down for 399c/kg and averaged 439kg for a return of \$1715/head. Agent, John Rodd, said that the brothers made 410c/kg and averaged 476kg for a return of \$1953/head last week. Congratulations to the Wilsons on another outstanding result. Don't forget, next store sale is this Friday 24th July.
